Media Release

Holcim offers cash incentive to convert USD Convertible Bond into shares

Holcim is offering holders of the USD Zero Coupon Convertible Bond due in 2017 a cash incentive to convert their bonds into the underlying Holcim Ltd shares. The book value of the still outstanding bond as of June 30, 2006 is CHF 372 million. The transaction is aimed at reducing earnings volatility and optimizing the debt profile.

Holcim offers bondholders a cash amount if they convert their bonds into shares. The cash amount compensates for the premium at which the bonds trade in the market and provides an additional 1.5 percent incentive. The offer begins on September 25, 2006 and ends at 17:00 CET on October 2, 2006.

Further information on the transaction is available at www.holcim.com/convertible.

Holcim is one of the world's leading suppliers of cement and aggregates (crushed stone, gravel and sand) as well as further activities such as ready-mix concrete and asphalt including services. The Group holds majority and minority interests in more than 70 countries on all continents.

This media release is also available in German.
